Certificate of Authority No. 126 )

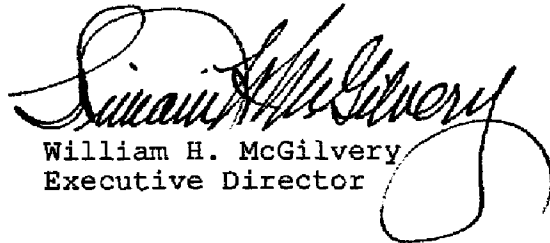

Case No. MP-91-25

By Order No. 3823, served September 30, 1991, the Commission revoked Certificate of Authority No. 126 of Perkins Ambulance and Wheelchair Service, Inc. (Perkins), for failure to maintain on file with the Commission appropriate evidence of liability insurance required by lawful order and regulation. Thereafter, on October 4, 1991, a certificate of insurance was filed, and on October 9, 1991, Perkins filed a petition for reconsideration of Order No. 3823.

The Commission has considered the petition for reconsideration and finds it to be not in conformance with the requirements of the Compact, Title II, Article XIII, Section 4(a), as it specifies no factual or legal error in Order No. 3823. However, upon consideration of the matters raised in the petition, and in view of the filing of the certificate of insurance, the Commission will reopen this proceeding on its own initiative and reinstate Certificate of Authority No. 126.

IT IS SO ORDERED.
